### **SERO Project Adds Bill Tracker 50 a web-based bill tracking tool for HIV Criminalization and COVID 19 Criminalization to the SERO PROJECT website**

July 27, 2020 - SERO Project is excited to announce the addition of BILL TRACKER 50 to the SERO PROJECT web site. SERO has used the Bill Tracker 50 application to help remain vigilant and informed of any HIV related legislation being developed across the United States.

SERO has established 3 widget-based map applications specifically designed to monitor and assist research of: Passed HIV Criminalization 2011-Present, State Coalition Bill Watch and the first ever COVID 19 Criminalization Map.

SERO has scheduled an "Introduction and How to Use" webinar on August 19, 2020 3pm ET/2pm CT/1pm MT/12pm PT – WE encourage you to [REGISTER HERE](#)

During this webinar we will both introduce and oriente you to the Bill Tracker 50 tool and show you how to use these tools to assist in your state advocacy work.

We hope you will find this tool as helpful as we do.
